Objectives

Introduction This Policy sets out policies and guidelines for the administration of representative teams, matches and tournaments under the jurisdiction of Otago Hockey (OHA).

Objective The objective of this Policy is to expand and clarify the roles of various key personnel and panels as well as providing a point of reference for decision-making.

By collating policy and decision-making frameworks into a single document, focus can be placed on the implementation of policy and decisions instead of expending time and effort on debating what is to be achieved.

Review of Policy As the structure of Hockey NZ (HNZ) representative programme changes and OHA's Policy on representative hockey follows these changes, revision of this Policy will be necessary. Any feedback from all stakeholders will be communicated to the General Manager or Pathway Manager in order to improve this document.

The contents of this document will be reviewed annually by the OHA. The General Manager or Pathway Manager will make changes to this document when necessary. ▸

Further Policy In addition to this Policy Document, OHA expects all personnel involved in OHA Representative programmes to understand and abide by all aspects of the following policies:

- HNZ Safety Policies
- HNZ Harassment
- HNZ Player Welfare Ruling
- HNZ Anti-Doping Policy
- HNZ Code of Conduct
- HNZ Head Injury Policy
- Otago Hockey Code of Conduct
- Otago Hockey Police Vetting Policy

- Setting the strategic direction of the representative programme
- The overall Representative Programme
- Liaison with HNZ and other regions/associations

Applications and Appointment of Coaches

Introduction This section describes the applications and appointment of coaches (including assistant coaches).

Advertising coaching opportunities Coaching opportunities will be advertised. OHA will utilise the existing club network and www.oha.org.nz to ensure that the opportunities are widely distributed to the OHA community. In addition to this OHA may advertise using other relevant avenues, for example, if you have registered with OHA as being interested in coaching, we will contact you directly via this avenue.

Preferred background for coaches All Coaches are required to have the necessary skills and experience to provide appropriate oversight for the representative team they are involved in. It is recognised that the coach is part of the representative support staff so consideration will be given to the overall skill set of the group when selecting the coach. It is preferred and encouraged that successful candidates will have attended a recent HNZ Coaching Workshop and/or have a current Youth Coaching Accreditation (or equivalent).

Expectations of coaches Expectations of coaches are contained in the representative coach's guidelines. Coaches are expected to follow, and role model the Otago Hockey Associations Code of Conduct at all times.

Coaching applications All applicants for coaching should be submitted to OHA's Pathway Manager, through the correct channels before the advertised closing date.

Paid and voluntary roles All coaching roles are unpaid. OHA, at its discretion, may make a contribution towards the expenses of agreed representative support personnel. This contribution will not be more than any actual expense incurred.
